

You're such a joy to be around. You're like a bundle of warmth that we can't help but be drawn to, and your bright smile holds enough shine to brighten even the darkest day.

Wishing you a day as special as you are.
Happy Birthday Feranmi ✨💖

You're a joy to be around, the pictures after this prove so.

Happy Birthday
Feranmi ✨💖

Here's a little box
of our memories.

Then the change that
majorly started online
turned into something
more... real.

Into a beautiful
friendship.

Then came laughter,
moments, and shared
memories.
